Personal Devices Policy

Government of South Australia
Department for Education

DOCUMENT CONTROL	Managed by: Principal	Approved by: Governing Council
Date Approved: 12/05/2021	Next Review: May 2024	Review Date:

Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

Mobile Phone Use For Primary School Students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

Storage of Personal Devices

Devices will be stored in a locked, central location in the student's classroom at 8:40am. All devices will be retrieved by the teacher and given back to the students at 3:00pm.

If the Student Does Not Comply

Parents will be notified if a student has not complied with the policy. Students who have not complied on two or more occasions will have their devices stored in a locked, central location in the Principal's office. Students or their parents (if the student is unable or unwilling to comply) will need to drop off and pick up their device from this location daily. For continual non-compliance further consequences will be actioned.
